

Parents, we are going on an incredible trip to a camp called MOVE. It's a camp put on by our friends at Christ in Youth. They create phenomenal experiences for students to discover their kingdom calling, and inspire them to live it out. This camp is specifically designed for high school students. It's June 3-7, 2018. Here are some questions you probably have! If your question hasn't been answered, email Joe Ratterman at [joer@heartlandchurch.org](mailto:joer@heartlandchurch.org).

**How can I learn more about the camp? (speakers, band, schedule)**

### **Who are the adults at the event?**

We bring our own adult leaders to the event. They all attend Heartland Community Church and have been through our thorough background check process. They are all safe, fun, Jesus centered adults. Also, our Child Protection Policy ensures that no adult is ever alone with a student in a private space (vehicle, camp room or otherwise).

### **What if my student has dietary restrictions?**

Email Joe Ratterman at [joer@heartlandchurch.org](mailto:joer@heartlandchurch.org) so we can work with you to make necessary accommodations.

### **What are the sleeping arrangements at Move like?**

We'll be staying in the dorms of Ozark Christian College Boys and their adult leaders sleep in separate halls from the girls and their adult leaders. Students are not allowed to be in a room alone. Adults are never alone with a student in a private area.

### **Can I meet the adults that will be present?**

Yes! We'd love for you to meet them. Email Joe Ratterman at [joer@heartlandchurch.org](mailto:joer@heartlandchurch.org) and we'll schedule a meeting so you can meet them.

### **Can they have their cell phones?**

We think phones provide the great opportunity to be able to connect with moms and dads back home. They also provide an incredibly high level of distraction. So, we'd encourage you to leave them at home but understand if you'd prefer otherwise. The leader that stays in their room will collect all the phones at the beginning of the trip. When they need their phone, they can just ask their leader. This will help us monitor their usage and make sure they have an awesome time! You'll have a phone number for both Joe Ratterman and the adult leader that's staying in the room with them. You can call or text us 24/7 with any needs.

### **What's the food like?**

I mean, come on, it's camp food! It's pretty good though. The menu ranges from chicken to pasta to pizza. There's also a great salad bar. For drinks, there are milk and soda options.

### **How much free time do students have?**

There's loads of supervised free time where our Heartland leaders are hanging out and connecting with our students. Our female leaders connect with female students and vice versa. Students are not allowed to be alone except for going to their room to grab something they need.

### **What kinds of activities are available?**

The multipurpose building has a racquetball court for students to use. The fields can be used for games like soccer, ultimate frisbee and football. The student center has pool tables, pin pong tables, and large screen TV's. The Landreth Park has running/walking trails and a sand volleyball court!

### **So, it's gonna be worth it?**

Absolutely, unequivocally, yes! Camp provides a time to get away from the real world and allows students to experience their relationship with Jesus in a communal context. We understand it's a huge commitment for you the parent to send your student to camp. We are eager for the opportunity to mentor and disciple your son or daughter. We are SO excited for it.
