Dear Mr. Deeble,

Your ministry's 2008 Annual Membership Review (AMR) for accredited membership has been approved. Heartland Community Church has faithfully demonstrated its continued compliance with the ECFA Standards of Responsible Stewardship. ECFA appreciates your ongoing commitment with denominations, churches, educational institutions and other Christian ministries to exhibit excellence and accountability. Collectively, these organizations represent more than \$18 billion in annual revenue. We humbly believe God is honored by the unity of so many organizations within the Body of Christ.

ECFA's website (www.ECFA.org) is very popular with over two million visitors per year. This website is replete with information relating to board governance, financial accountability, fund-raising, and research documents on a variety of nonprofit topics. The latest information on them is available in the news section of the site.

We are proud to count Heartland Community Church among those organizations that set the example of integrity within the evangelical community. May God continue to bless your ministry as you do His work.

Sincerely,

Corey Odden
Vice President
