Read: Matthew 9:35-38

Scripture *"The harvest is plentiful, but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into his harvest field."*

Observation *This scripture acknowledges God as the owner of the field and the harvest. He has more invested and to gain from the harvest. We are to care as much as we can about the harvest. We need to help the harvest and get others to help with the harvest.*

Application *I need to pray for help and be a good worker.*

Prayer *God, please send out new and more workers. Help me to be a good harvester.*
