Angel's Announcement

This week, you heard two stories of when angels came to change the plans of Elizabeth and Mary. Both of those women were going to have babies. Not just any babies: John the Baptist and Jesus! Draw a picture of what you think the angels looked like when they told Elizabeth and Mary the big news!

LOOK for when God does the impossible.

Anything is possible with God.

All Things are Possible

Grab some white paper, white crayon and some water colors. Ask someone to help you write this week's verse using the white crayon on the white paper. After you write the verse out, use the water color paints to paint over each word. As you paint over each word say it aloud. Once you have painted all of the words, say your whole verse together.

THANK God that all things are possible with Him.

He Can Do It

Talk to God about anything that may seem impossible to you right now. Maybe it's making a team, starting at a new school or making friends. You can pray something like this:

~~~~~  
“Dear God, Today \_\_\_\_\_ seems impossible. Please be with me as I go through my days trying to do the right things. I pray that I can always see you in the plan and that you can help me be brave to do what seems impossible. Amen.”
